

Bubble Glazed Colours

Jens, The Gap Handyman Centre, QLD, Australia

We have been dealing with M. Lennon since early 2018. Initially we wanted to introduce pots to our business as we had a Bunnings open just down the road. The service from all at M. Lennon is exceptional, the quality is exceptional, the range is unique and has added a new dimension to our 3 outlets. Thank you.

Our customers love M. Lennon Pottery and that's why they've been supplying us for over 10 years. Their customer service is excellent, they're easy to deal with and very accommodating. I would highly recommend them as a supplier and can see us doing business with them for years to come.

A wonderful team behind great pots! M Lennon goes the extra mile for their customers, I cannot recommend them enough. They are our main large pot supplier, and I cannot see that changing in the future, with their great quality, reasonable prices, wide range, and service why would we look anywhere else. Our customers love the Decorator Range - the colours are amazing. Thanks to all the team for your hard work in getting a great product to our door.
