

Stephen, Pilchers Mitre 10, QLD, Australia

Pilchers Mitre 10 have been stocking M. Lennon products for a number of years now. We are very happy with the supply, quality, and price of their products. The process from ordering through to delivery and after sales service is exceptional. Their down-to-earth nature makes dealing with them a breeze. We are pleased to offer our community a point of difference for garden décor through M. Lennon, and benefit from the increased foot traffic that is driven by their niche ranges. We enjoy healthy margins; high stock turns and competitive SRPs as a result of their direct import model. Pilchers have no hesitation recommending M. Lennon to any store that wants to improve variety, quality, price, and margin in a hassle-free manner.
