

# Bubble Glazed Colours

**Jens, The Gap Handyman Centre, QLD, Australia**

We have been dealing with M. Lennon since early 2018. Initially we wanted to introduce pots to our business as we had a Bunnings open just down the road. The service from all at M. Lennon is exceptional, the quality is exceptional, the range is unique and has added a new dimension to our 3 outlets. Thank you.

Our customers love M. Lennon Pottery and that's why they've been supplying us for over 10 years. Their customer service is excellent, they're easy to deal with and very accommodating. I would highly recommend them as a supplier and can see us doing business with them for years to come.

Have been dealing with M Lennon Pots for many years now. They're always quick to reply with orders and will do the best to get what I request. They have a broad range of pots in lightweight and terracotta/glazed and trinkets as well. Our customers love their selection and keep coming back for more.
