George, George Peters Wholesale Pottery, Louisiana

Since 2007, we have depended on M. Lennon Pottery for most of the product that we import from Vietnam, and have found them to be an honest, dependable supplier. They have always worked hard to solve any problems that have arisen, acting with integrity, and following through with their agreements. Doing business with M. Lennon has truly been a pleasure, and we hope to continue that relationship for many more years.

“**Nicola, Oderings Nurseries, New Zealand**
 We have found M Lennon to be our first and main supplier of ceramic pots because they make it easy. The product sells, and I can have exactly what we want from sizes, colours, set range and styles. The service, support and communication when dealing with an international delivery is exceptional. After care is brilliant and nothing is ever a problem. Thank you, Ashley and Co, for making us market leaders in the category.
