We have been very happy customers of M Lennon for almost 4 years now and I would have to say they are one of our favourite Suppliers. They offer a fantastic range of pots and their products have been our fastest growing category in our business. If you want superior service, good value products and to work with a company with integrity then I highly recommend Ash, Cass, and the team.

EXCLUSIVE RANGE

Graeme, Studfield Garden Centre, VIC, Australia
 We've been loyal customers of M. Lennon Pots for over 20 years. Before coming across M. Lennon, we operated as a garden & landscape Supply business only. We are well known for the large range of pots we carry. We sell about 13 containers of M. Lennon pots each year. The pots are now vital to the success of our business. We find the staff at M. Lennon so easy to deal with, nothing is too much hassle. If you're looking to buy pots at wholesale prices, this is the Company I would recommend.
