Since 2007, we have depended on M. Lennon Pottery for most of the product that we import from Vietnam, and have found them to be an honest, dependable supplier. “**Phillip, Pots N Pots, VIC, Australia**
 We've been doing business with M. Lennon Pots for over 10 years. They have a wide range of pots to choose from, we could not recommend anyone more to get Terracotta from. We can barely keep any of their Terracotta in stock, all our customers love it. The quality is great & we love the flexibility they offer; they offer custom orders of sets, so you can always get more of the sizes that you run out of, which trust me is very important when trying to sell pots. They're easy to deal with, and their ability to bring in stock at any time of the year has saved our butts plenty of times, we look forward to doing business for many years to come.

Stephen, Pilchers Mitre 10, QLD, Australia
 Pilchers Mitre 10 have been stocking M. Lennon products for a number of years now. We are very happy with the supply, quality, and price of their products. The process from ordering through to delivery and after sales service is exceptional. Their down-to-earth nature makes dealing with them a breeze. We are pleased to offer our community a point of difference for garden décor through M. Lennon, and benefit from the increased foot traffic that is driven by their niche ranges. We enjoy healthy margins; high stock turns and competitive SRPs as a result of their direct import model. Pilchers have no hesitation recommending M. Lennon to any store that wants to improve variety, quality, price, and margin in a hassle-free manner.
