Have been dealing with M Lennon Pots for many years now. They're always quick to reply with orders and will do the best to get what I request. They have a broad range of pots in lightweight and terracotta/glazed and trinkets as well. Our customers love their selection and keep coming back for more.

**Phillip, Pots N Pots, VIC, Australia**

We've been doing business with M. Lennon Pots for over 10 years. They have a wide range of pots to choose from, we could not recommend anyone more to get Terracotta from. We can barely keep any of their Terracotta in stock, all our customers love it. The quality is great & we love the flexibility they offer; they offer custom orders of sets, so you can always get more of the sizes that you run out of, which trust me is very important when trying to sell pots. They're easy to deal with, and their ability to bring in stock at any time of the year has saved our butts plenty of times, we look forward to doing business for many years to come.
